Help us plan what promises to be the most exciting and effective three years in the history of the Marin CCR - 2018 to 2020. What's needed now A) To reduce the number of domestic violence crimes in Marin County? B) To promote safety and mutual respect in relationships? C) To improve and strengthen our community's response to DV?

### **II. 2018-2020: What's possible in the next three years**

1. What's new in Marin in 2018 that might shift our focus?
2. How do we get all Marin county sectors trained in "Response Protocols that Save Lives"?

4. Are there new or continuing barriers that survivors, child witnesses, youth, or abusers face that the CCR should address?
5. What are our youth leaders telling us we need to do to support them? What about our elders?
6. How can we expand the CCR?
